# REGIONAL MINING SERIES 2009

*Held in the Heart of the Action*

## **10 REASONS WHY YOU MUST ATTEND IIR'S REGIONAL MINING SERIES**

IIR's Regional Mining Series has been developed to provide you with a means of addressing the key issues currently affecting Australia's booming resources industry from a regional specific view point.

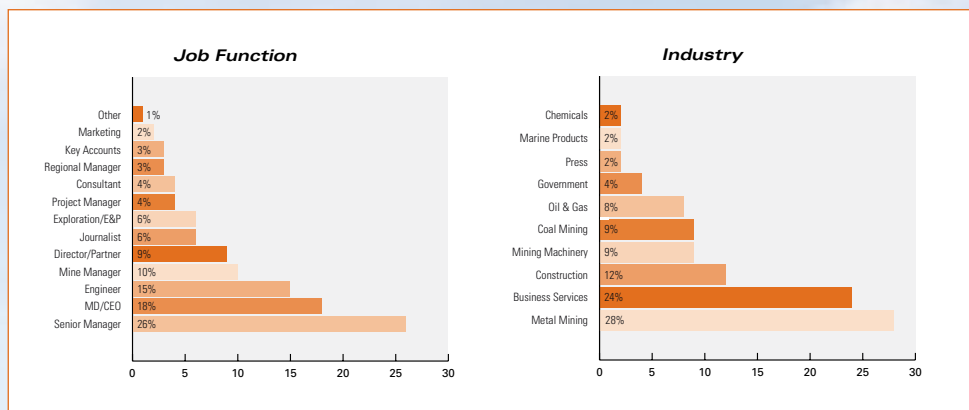

Held in the heart of Australia's mining regions, each event deals with more than just the exploration and extraction issues, taking a more realistic view on all the peripheral aspects required for success and profitable outcome including:

- 1. As a leading professional** involved in the mining industry you can not afford to miss your opportunity to attend Australia's only regional focused series of events.
- 2. Meet** Australia's leading mining professionals including CEOs, Directors, Senior Consultants, Business Development Managers, Heads of Sales and Marketing, Oil and Gas Managers, Analysts and Managing Directors.
- 3. Learn from the most respected industry speakers:** past representatives include **Xstrata, Rio Tinto, Zinifex, BHP Billiton, Oz Minerals, Newcrest Mining, Newmont** and many more.
- 4. Benefit from the best case studies,** keynote presentations, panel sessions and interactive workshops led by the mining industry's most highly respected speakers and captains of industry.
- 5. Relax with fellow delegates** in the perfect networking environment by attending the events' gala dinners and drinks receptions.
- 6. Visit the Regional Mining Series Exhibitions** and meet with the industry's premier companies in an informal environment conducive to doing good business.
- 7. Delve into the latest important developments** in the mining industry, establishing key information through presentations, case study scenarios and interactive panel sessions that you can apply to your role.
- 8. Workshop** by going in depth into key parts of the mining industry with highly professional technical leaders with years of experience in the resources sector.
- 9. Create opportunities** to strengthen relationships with key clients or build new ones with mining companies, key industry suppliers, government representatives and investors attending the series of events.
- 10. Discover all the answers** to your pressing questions relating to Australia's booming resources industry from a regional perspective, including:
  - The economic outlook and future prospects for each region
  - Transport framework solutions
  - An analysis of water and infrastructure issues
  - Accommodation shortage problems
  - Personnel recruitment and retention

## WHO ATTENDS

The Regional Mining Series of events are the perfect forum for meeting, networking and doing business with your key clients and colleagues.

Meet resource industry professionals including CEOs, Directors, Senior Consultants, Business Development Managers, Heads of Sales and Marketing, Oil and Gas Managers, Analysts and Managing Directors.

# **Gladstone Resources Industry Update**

---

**24–25 February 2009, Stamford Plaza, Brisbane**

*Investment and development opportunities  
in Queensland's most progressive port*

IIR's inaugural 2009 Gladstone Resources Development conference will be your unrivalled chance to meet and do business with all the senior practitioners responsible for solving the major challenges Gladstone is facing in meeting its current and future investment, and infrastructure development needs.

Gladstone Resource Development will allow you to discover Gladstone's latest developments, gain an insight into future projects whilst networking with your peers and colleagues over three days of seminars, presentations, case studies and workshops.

## **Key aspects to be covered at the event include:**

- LNG, mining, resources, port, water and energy project updates
- Investment opportunities in infrastructure and industry
- Environmental management and community consultation

## **Case examples include:**

- Fisherman's Landing LNG project development
- Arrow Energy and Shell LNG Projects updates
- Plant expansions at Rio Tinto's Yarwun Refinery
- Gladstone Area Water Board expansions
- Gladstone port and coal terminal extensions
- Clean energy electricity supply advances

Don't miss your opportunity to gain important information in a stimulating environment, network with key industry figures and have your investment questions answered in a clear and thorough manner.

# **Resource Development in the North West & Kimberley Region**

**16–18 March 2009, Cable Beach Club Resort, Broome**

*Driving billions of dollars  
in investments*

The 2nd Annual Resource Development in the North West & Kimberley Region Conference is your opportunity to develop your strategy for success in the booming North West and Kimberley region.

Visit balmy Broome this March to meet and network with key industry leaders. Discover all the plans for current and future exploration, investment and development opportunities in the Kimberley through a series of case studies, panel discussions and workshops.

**Hear exceptional insights into increasing the output and profitability of your mine site through analysis of:**

- Current mining operations
- Exploration and proposed projects
- Offshore oil and gas developments
- Infrastructure in the North West and Kimberley
- Skills shortages
- Land approval and native title and much more...

Don't miss your chance to learn from the experts and be part of this exciting regional event.

***"One of the best conferences due to the variety of industries represented and topics discussed. Good venue, well organised and should be repeated next year"*** Paul Burton, TNG

***"Great networking, interesting topics"*** Brendan Bourke, Horizon Power

***"Networking and course presentations were great"*** Ben Serong, BP Australia

***"Very interesting, great variety of presentations"*** Rob Humphryson, McMahon Holdings Ltd

Last year's inaugural event provided delegates with an unrivalled means of keeping pace.

***"Well organised, friendly and informative"*** Stuart Cuthbert, Rio Tinto Alcan

# Mining the Pilbara

---

**10–11 June 2009, The Walkington Theatre, Pilbara TAFE, Karratha**

*The engine room of Australia's  
resources boom*

Now in its third year Mining the Pilbara has established a great foundation and allowed a variety of resource industry players to showcase their expanding projects and current successes at 'ground zero' of Australia's resource boom.

Mining the Pilbara 2009 will allow you to network with the Pilbara mining community and develop your future business development strategy in the region.

**The 2009 conference will be a must attend event for anybody involved in the booming resources region of north west Australia, focusing on a range of key topics including:**

- Economic outlook and prosperities
- Operating mine updates
- Transport and infrastructure in the Pilbara
- Mining and the community
- Projects under development

Hear successful operational case studies from leading mines in the region and learn from the professionals already profiting in the Pilbara.

***"Considerable amount of new and current information"*** Justin McKirdy, MRWA

***"I was able to chat with all the various players and gave me a unique opportunity to get my message across"*** Jim Mahoney, Main Roads

***"Great range of speakers on relevant topics"*** Dallas Horadam, Metalitics

***"Good content, very insightful"*** Darren Sharp, Rio Tinto

***"Great workshop, tailored discussion to my individual needs"***  
Rob Humphryson, Macmahon Holdings

# Mining NSW

---

**1–2 September 2009, The Orange Ex-Services Club, Orange**

*Exploration and mine development opportunities  
in the Central West and Northern Tablelands*

The inaugural Mining NSW event was an unbridled success with senior decision makers from all sectors of the resources industry meeting to discuss the outlook for Australia's second largest gold producing region.

Mining NSW brings together mine operators, contractors, explorers and suppliers in Orange in the heart of the Central West to network and discuss the latest developments in NSW's growing mining industry.

#### **Topics to be covered include:**

- The market outlook for gold and base metals
- Updates on new mine expansions
- Explorer showcase from juniors active in the New England and Lachlan-Ford Belts
- An analysis of water and infrastructure issues
- Housing and personnel shortages in the Central West and ways to overcome this *and much more...*

***"Good networking opportunities, and gained some new client contacts"***

Jess Toohey, GHD Pty Ltd (Mining NSW 2008)

# ***Mining the Territory***

**9–11 September 2009, Darwin Convention Centre, Darwin**

*Exploration and investment opportunities  
in the Top End's resources industry*

Mining the Territory reaches the next exciting stage of its development in 2009 as it becomes the focus for the inaugural NT Resources Week 2009.

Join all your peers and colleagues in the Top End and discuss the future direction of mining in the Territory. In partnership with the Northern Territory Resources Council, this conference is the premier event for the Northern Territory mining calendar.

This annual event brings together key industry leaders, opinion leaders and experts to provide you with up to date information on the current exploration, investment and development opportunities in the top end's resource industry.

**Mining the Territory features case studies, panel discussions and workshops from all the key instigators in NT mining and will cover:**

- Current Government initiatives
- Economic outlook and prosperities
- Operating mine updates
- Projects under development
- Exploration in the Territory

***"Very comprehensive, in-depth, good overview"***

Dr Graham Kirby, Dept of Business, Economic & Regional Development

***"Good overview of local operation and international corporate profile.  
Very comprehensive and professional"*** Adrian Van Kersen, Newmont

***"Informative, well presented"*** Chris Salisbury, Energy Resources of Australia

***"Good perspective of project scope. Very good!"*** David Buick, Alcan Gove

***"Excellent overview of corporate strategy and project timelines. Exceptional  
powerpoint presentations"*** Tony Simpson, Toms Gully Mine

**For full details on NT Resources Week 2009 visit [www.ntresourcesweek.com.au](http://www.ntresourcesweek.com.au)**

# Mining North Queensland

**15–16 October 2009, Rydges Southbank, Townsville**

*Exploration and mine development  
in Northern QLD*

Investment activity in northern Queensland is booming and is fast becoming one of Australia's richest mineral provinces.

Mining North Queensland is a pioneering event that will update and educate you on the current exploration and investment opportunities in the northern Queensland resource industry.

The event will also provide you with unique perspectives from local government and development bodies on plans for community growth, infrastructure development and issues surrounding resources related skill shortages.

## **The foremost mining representatives will show you how to:**

- Strive to achieve optimum production
- Expand and develop your current operations
- Plan new mine sites
- Explore and expand in the region

This event delivers key networking forums for you and like-minded mine site personnel to learn from Australia's leading practitioners in their dedicated fields, offering exceptional insights into ways that you can improve your operations, increase your productivity and ultimately maximise the profitability of your mine site.

# ***Mining the Isa***

**17–18 November 2009, Mt Isa Civic Centre, Mt Isa**

*Exploration and growth across  
the Carpentaria*

The 5th Annual Mining the Isa is the only one of its kind to focus solely on the Isa region and its mining considerations.

Mining the Isa 2009 will not only features presentations from all the key established mining companies in the Mount Isa region, but also unique sessions dealing with the other essential aspects essential for successful operation in the area, including accounting for the shortage of accommodation and skills in the area and ensuring that it does not impact negatively on your development plans.

## **Mining the Isa 2009 will feature expert led sessions addressing:**

- The local outlook for mining, exploration and the region
- Operational updates from leading Mt Isa area mines
- A snapshot into infrastructure development, power, transport and water
- Updates from junior resources explorers

Mining the Isa is your best possible means of developing your Isa centric business plans and gaining the edge over your rivals, register today to book your place amongst all your most lucrative clients.

***"The correct people were present and gave good information"***

Tim Stewart, Dimidium Group

***"Provided a wider understanding of the issues relating to mining in the NW"***

Neil Robertson, Toll Group

***"Excellent! Good overview of NW QLD"*** Craig Porter, Leighton Contractors

# Mining South Australia

**2–3 December 2009, Middleback Theatre, Whyalla**

*Transforming the exploration boom  
into sustained mining growth*

Mining South Australia continues to go from strength to strength upgrading to a new venue following successful SOLD OUT events in its first two years.

Produced specifically for the South Australian mining and regional development community Mining South Australia is your unique opportunity to hear the latest developments from the major projects, mines and explorers in South Australia.

## **The conference and exhibition will address:**

- Government insights into the outlook for SA mining
- SA's future economic outlook
- Operational updates from the region's leading mines
- A snapshot into infrastructure development, power, transport and water
- Indigenous issues in SA mining
- Practical workshops on key mining industry challenges
- Updates from junior resources explorers based in SA

Mining South Australia provides you with access to prime networking and business development opportunities with all the major mining and energy companies in SA, explorers, equipment and service providers, engineering and professional firms, contractors, government representatives, analysts and financial institutions.

***"Great location, subject matter, papers and speakers"*** Andrew Andrejewskis, SAPEX Ltd

***"Excellent regional focus"*** Scott Cawrse, Sinclair Knight Merz

***"High quality presentations and excellent networking with good variety of clients and service providers"*** Richard De Nichilo, LogiCamms

***"Very informative range of topics, well presented"*** Dwayne Gum, BHP Billiton

***"Good group of speakers, wide range of topics"*** Andrew Knott, Stramech Engineering

## **SPONSORSHIP & EXHIBITION OPPORTUNITIES**

IIR Regional Mining Series of events offers organisations like yours a significant business opportunity. Our sponsorship and exhibition team are here to help you tailor your companies commercial presence at these events.

### **Sponsor a Regional Mining Series Conference and:**

- experience unrivalled exposure to the major projects, mines and explorers in each region and hear the latest developments in existing mines and active explorers in all Australia's booming resources sector
- fully plan your strategy to maximise your outcome and be integrally involved in the investment occurring in all Australia's mining regions
- provide you with the opportunity for new business generation and market exposure gaining direct access to new and existing customers in each region

To discuss how we can tailor a business development package to suit your company objectives, please contact: David Lewis, Tel: +61 (02) 9080 4054, Email: [dlewis@iir.com.au](mailto:dlewis@iir.com.au)

***"As a supporting sponsor and exhibitor, Flinders Ports gained exposure to the players most active in South Australia's booming resources sector. The exhibition area was strategically placed within the conference venue which enabled easy interaction with the delegates"***

Andrew Pellizzari, General Manager Logistics, Flinders Ports South Australia (Mining SA 2008)

***"Thank you for an excellent conference and exhibition. Armflame was very pleased with the exposure we received at all levels (speaking, exhibiting and sponsoring). Well Done!"***

Derek Leach, Sales Manager, Armflame Gas & Pipe

### **OPERATIONAL EXCELLENCE SERIES**

You might also be interested in our sister event series The Operational Excellence Series. The events provide key networking forums for Australia's mine site personnel, offering exceptional insights into ways to improve operations, increase productivity and ultimately maximise the profitability of your mine site.

**Visit [www.operationalexcellence.com.au](http://www.operationalexcellence.com.au)**

**Cancellation Policy:** Should you be unable to attend, a substitute delegate is always welcome at no extra charge. Alternatively, a full refund, less \$440 (inc GST) service charge, will be made for cancellations received in writing (letter, fax, email) up to two weeks prior to the event. Regrettably, no refunds can be made less than 15 days before the event. For any event cancelled by IIR, registration fees are fully refundable.
